

Memo from the Nurse

Dental Health Certificate

NYS requests that all students entering grades Kindergarten, 2, 4, 7, and 10 provide the school with a dental health certificate. This certificate must be signed by a dentist who has examined your child sometime within the past twelve months. It must state that the child is in "fit" condition of dental health to permit attendance at school. Attached is a copy of the certificate for your convenience.

If you have questions or concerns regarding this request, please do not hesitate to call me at 315-543-2592 or email me at kavallone@hcsk12.org. Certificates can be faxed, attention School Nurse, to the school at 315-543-2360 or mailed to my attention at the Harrisville Central School, 14371 Pirate Lane, Harrisville, NY 13648.

Thanks so much for your cooperation!

Sincerely,

Kelly Avallone, RN
School Nurse
