

Harrisville Central School Scholarship Database

Fall 2022

Seniors: The following is a list of scholarships that you may apply for during the school year.

How do I know which scholarship applications are currently available?

- Check the scholarship lists posted in the following places: guidance office, HCS website, & on the guidance office “senior” bulletin board in the main hall.
- Listen to daily announcements
- Stop by the guidance office to look through the scholarship files (located under the sign-in table, below the dry-erase board.)
- By providing your e-mail address to the guidance office you can be e-mailed the current list periodically.

How will the guidance office help with scholarship applications?

- Scholarship applications can be obtained on the guidance website and paper copies will be available in the guidance office. **Students should fill them out and send them out on their own.** Certain scholarships should be returned to the guidance office when completed. For these scholarships, “**RETURN TO THE GUIDANCE OFFICE**” will be specifically indicated in the directions or on the application.
- Ms. Smith will answer any questions a student may have about a scholarship application, review the application and/or essay, and write a letter of recommendation if requested.
- The guidance office will provide transcripts upon request. Transcript request forms are available in the guidance office – please allow **three business days** for processing.

What are student responsibilities?

- Obtain letters of recommendation from teachers (sealed recommendations are more “official”). Letter of Recommendation request forms are available in the guidance office.
- Request transcripts using the transcript request form (sealed transcripts are official and should not be opened by a student; simply include the sealed transcript with other application materials).
- Write essays (HS English teachers or Ms. Smith will be glad to review your scholarship essays.)
- Compile required information for each scholarship application.
- Send out scholarships by the deadline date. (Unless it specifically states to return to the guidance office.)

REMEMBER:

The deadline dates for scholarships vary slightly from year to year. **The deadline dates listed will give you a rough idea when scholarships will be due.** We will not know the actual deadline dates until we receive the new scholarship applications.
